

Greetings District 5 residents.

Hope you're all doing well and enjoying the week so far. I wanted to give everyone a heads-up about something I'm really excited about. On **Tuesday, October 24th, at 5:30PM**, I'll be hosting a **Telephone Town Hall**.

This isn't just any town hall. I've invited department heads from various county departments to join us. This is your chance to get direct answers, gain insights, and voice any concerns or suggestions you might have.

Whether you're curious about ongoing projects, have questions about specific county services, or simply want to know more about what's happening in our community, we've got you covered!

So, grab a cup of coffee, find a comfy spot, and dial in. Let's chat, let's connect, and let's work together to continue making our community the best it can be.

Save the date, and I'll be waiting to hear from you!

Wishing you all a fantastic week and looking forward to our conversation.

Warm regards,

Yxstian Gutierrez
County Supervisor
