

**Dear District 5 Residents,**

I'm thrilled to share the incredible success of the Beautify Cabazon event held last Saturday, September 30th. It was a day filled with community spirit and the shared envision of change!

Over 150 residents from Cabazon and nearby communities joined together in our cleanup efforts. Each of our volunteers ranging from grade school to senior citizens all demonstrated the true meaning of community collaboration. Together, we achieved something amazing! More than 20 tons of trash were removed, leaving behind a cleaner, more beautiful neighborhood for us to admire. The transformation is truly remarkable, and it's all thanks to YOU and every neighbor and friend who dedicated their time and effort. 🏠💪

A special shoutout and thank you to our generous sponsors IEHP, CR&R, Raising Cane's, Starbucks, Target, Walmart, Sherwin-Williams, Mana Donuts, HCN Bank, Morongo Band of Mission Indians, Beaumont Cherry Valley Parks District, and Home Depot. Your support played a huge role in making this vision a reality, contributing to the beautification and betterment of Cabazon. Your commitment to our community shines bright! 🙌

This success is just the beginning. Let's continue to unite, support, and take pride in our community, ensuring Cabazon and the rest of District 5 flourish. Together, we can make every corner of our community a beacon of beauty, unity, and shared triumph! 🌸

Thank you once again for making Beautify Cabazon a day to remember. Let's keep the momentum going – see you next time! 🙏
