

Dear District 5 Residents,

In my previous messages, I talked about the "Hire District 5" and the "Hire a Senior" programs that encourage local businesses to employ residents from our community. Today, I am excited to share with you another initiative I've rolled out, which is called "Hire a Vet."

Like the "Hire District 5" program, the "Hire a Vet" initiative also offers incentives to businesses. However, it specifically focuses on aiding our brave veterans who have served our country. Many veterans possess highly valuable skills and experience but sometimes find it challenging to secure employment after their service.

The "Hire a Vet" program, similar to the "Hire a Senior" initiative, offers more than just financial incentives for employers. In both programs, the employed Veteran or Senior receives a \$500 stipend 90 days after starting their job. However, the "Hire a Vet" program goes beyond mere financial support; it serves as an affirmation of my deep-rooted belief in the unique expertise and skills that our veterans contribute to the job market.

For more details or to get involved in this worthwhile program, feel free to reach out to my office. You can contact me at 951-955-1050 or via email at [district5@rivco.org](mailto:district5@rivco.org).

Thank you for your ongoing commitment to our community. Together, let's make a meaningful impact!

Warm regards,

Yxstian Gutierrez
